	Totals	389,088	Transfer Water Requested									
		376,760	Adjusted Value Based on Curtailment									

*All temporary transfers end immediately upon conveyance of the designated transfer quantity or one year from transfer approval, whichever occurs first
For transfers of stored water, restrictions may preclude reservoir refill until specified conditions are met (this could occur after the transfer period)
***This column reflects the amount of transfer water actually made available by the petitioner accounting for any applicable stream flow depletion losses. Delta carriage losses are not included.
